PROFILE

A senior at Marymount University, with an understanding of project management, space planning, and computer-aided design. Seeking to take my next career step with a respected design firm focused on commercial or hospitality design. My goal as an Interior Designer is to design spaces that impact lives. My belief is good design can create healthier, happier, users.

WORK HISTORY

Assistant Designer/Interiors by Jennifer Dennis

September 2018 - Present

Schedule and go to client consultations, manage clients and contractors, source materials and products, and create mood boards or computer drawings for clients and contractors.
